Integration of HIV Testing in Routine Pediatric Care

Roberta Laguerre, MD and Mario Cruz, MD, St. Christopher's Hospital for Children

Target Audience

Physicians, physician assistants, nurse practitioners and nurses who provide non-HIV specialty care to adolescents as well as HIV specialists who treat youth in their outpatient care practices.

Learning Objectives

As a result of this program, participants will be able to:

- 1) Describe procedures, recommendations and laws regarding HIV prevention and testing in adolescents
- 2) Describe recent data from latest investigations reported at various HIV clinical conferences geared towards HIV-positive adolescents
- 3) Apply recommended treatment guidelines in HIV clinical care for adolescents
- 4) List best practices for linking HIV-positive youth to care, retaining those already in care and transitioning youth to adult-oriented services
- 5) Examine challenges in HIV prevention and treatment among LGBTQ youth
- 6) Recognize opportunities for HIV education and screening for adolescents
- 7) Identify key factors when integrating HIV testing and counseling into existing routine pediatric care procedures

Sponsored by:

- Pennsylvania/MidAtlantic AIDS Education and Training Center, Health Federation of Philadelphia
- Philadelphia Department of Public Health—AIDS Activities Coordinating Office
- The Children's Hospital of Philadelphia
- St. Christopher's Hospital for Children
- Circle of Care, Family Planning Council

ACCREDITATION STATEMENT

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of Drexel University College of Medicine and the PA/MidAtlantic AIDS Education and Training Center of the Health Federation of Philadelphia. The Drexel University College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. **AMA:** The Drexel University College of Medicine designates this educational activity for a maximum of 5.5 *AMA PRA Category 1 Credit(s)*[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity. **ADA:** This program is eligible for 5.5 credits in Category 2A of the American Osteopathic Association.

Program Code: 10256

FACULTY DISCLOSURE STATEMENT It is the policy of Drexel University College of Medicine to insure balance, independence, objectivity, and scientific rigor in all its sponsored educational programs. Speakers at continuing medical education activities are required to disclose to the audience their financial relationships with the manufacturer(s) of any commercial products, goods or services related to the subject matter of the program topic. Any conflicts of interest must be resolved prior to the presentation and announced to the audience. The intent of this disclosure is to allow participants to form their own judgments about the educational content of this activity and determine whether the speaker's commercial interests influenced the presentation. In addition, speakers are required to openly disclose any off-label, experimental, or investigational use of drugs or devices discussed in their presentation.

DISCLOSURES: Faculty disclosures will appear in the program syllabus that will be distributed to the audience prior to the beginning of the activity.

The following Planning Committee member has no commercial relationships to disclose: **Zupenda M. Davis, MPH, CHES**

NURSING CREDITS The Pennsylvania/MidAtlantic AIDS Education and Training Center, University of Pittsburgh, Graduate School of Public Health is an approved provider of continuing education by the Pennsylvania State Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. This activity qualifies for 5.5 contact hours.

ACKNOWLEDGEMENTS: This program is supported in part by the Division of ID/HIV Medicine, Drexel University College of Medicine, and by a grant from HRSA, HIV/AIDS Bureau, Health Resources and Service Administration HRSA Grant No. 5 H4A HA 00060 Q8 00.
